Clock Template

## Make-Your-Own Clock Template

Steps to Use Your Clock:

1. Print and cut out the clock hands at the bottom of the page.
2. Use a brass fastener or paper pin to attach the hands to the center of the clock.
3. Move the hands freely to practice setting different times.
4. Laminate the clock for durability or use card stock for a sturdy version.
5. Optional: Color the clock face to personalize it!
